*“Coolbawn Quay was an ideal get-away for our management team to allow us think outside the box at this lakeside setting. You could not help but switch off from the day to day issues and we had an excellent 4 hour session in the "Schoolhouse" building. We over nighted and the team enjoyed the offerings of the Spa before having a beautiful meal in the restaurant. Service was top class from the moment we arrived and we will definitely be back. Objective achieved without having to travel too far.”*

The Schoolhouse is a unique and inspirational meeting space and the ever-attentive staff ensures that all our training needs are met. Nestled in idyllic countryside, Coolbawn Quay is a rare retreat for a corporate training event.”*
